MEMORANDUM FOR THE DIRECTOR

FROM: Allen W. Dulles

Referring to Thayer's message discussed at this morning's Deputies meeting with regard to pressing for anti-Communist action by the French Government, I suggest that you may wish to discuss this with Bruce and Foster at the PSB meeting Thursday. You will recall that the PSB has endorsed a specific project on this subject, a copy of which is attached.

Meanwhile, as agreed this morning, I am cabling Thayer that we see no objection to his having a preliminary discussion of the matter with Ambassador Dunn assuming that the Embassy working committee on this subject, of which he, Thayer, is a member, is in general accord. I have also told Thayer that the matter would be discussed at the PSB meeting with Bruce and Foster.
